Tim Eyman’s Initiative 976 Would Endanger Washington’s Mobility

Safety First: Vote NO on Initiative 976 by November 5th, 2019!

- Significantly cuts funding for Sound Transit’s voter-approved expansion of light rail and bus rapid transit
- Increases traffic congestion
- Sabotages voter-approved light rail, bus rapid transit projects and major projects like the North Spokane Corridor
- Jeopardizes fleet replacement for Washington State Ferries and Amtrak Cascades
- Cuts funding for Ferry Fleet Replacement State grants for transit service
- Increases public safety hazards
- Stops major projects upgrades like North Spokane Corridor
- Forces local governments to raise property taxes to make up for Initiative 976's cuts
